NOTE

The response filed on 6/1/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant states at Response page 2 that the original specification is replaced with a “substitute specification attached hereto”. However, no attachment has been received in the 6/1/2007 filing. Further, a careful review shows that the “substitute specification” filed 8/2/2006, which has not been entered, is non-compliant, because it lacks any marking to show the changes made. Applicant must submit a proper marked substitute specification in the next reply. **Since the amendment is non-compliant, the claim amendments have not been entered.** See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
